Several groups of analysts from the National Photographic Interpretation Center recently visited your installation to inspect certain special electronics equipment.

25X1

I would like to take this opportunity to express my personal gratitude to you and your staff for the fine cooperation received at the Gaithersburg, Maryland facility. In particular, Mr. M. [redacted] were especially helpful in making the visits both constructive and informative. These trips will contribute significantly to the effectiveness of our analysts dealing with such electronics equipment.
